**Workshop Location change for November 16**

Next week workshop will be moved to "Cook's Barn" while the floor at the Veterans' Hall gets refurbished. The address is 9054 Eden Oaks Ave. in Orangevale. Eden Oaks runs east off Hazel Ave., north of Oak Ave. Drive to the top of the hill, just before the end of the road, turn right into the driveway. (Google maps calls it Caballero Dr.). The Barn is on the left a short distance along the driveway.

Because of the location change, there will be no third-week potluck this month.

**Workshop on November 23rd, the day before Thanksgiving, is cancelled. Everything is back to normal on November 30.**

**Mavericks Host the Veterans' Day Dance this Saturday - Charles Bridges calling**

Be sure to come and support the activities of the club and welcome our guests from other clubs. Please bring finger foods. Tell your square dance friends that veterans get in for half-price.

**Club Membership Business**

Nominations for the Executive Board are open. All members of the current Board have agreed to stay on for another year. There are, however, several other positions that have yet to be filled. If you are interested in elevating your level of participation in the club and being an active part of how things are done, please contact Cheryl Tiburzi.

There will be a brief General Membership meeting before we square-up on December 7 to vote on the officers of the club. Please be sure to be there.
