Third-Wednesday Potluck Next Week

Don't miss out in participating and enjoying the potluck party next Wednesday. Bring your favorite potluck dish to share, and enjoy the savory foods brought by your square dance friends. No food assignments, this is a true pot "luck". Bring something unique and surprise everyone.

Clothes Closet Success

The Clothes Closet Close-Out last month was a tremendous success. A **BIG THANKS** to many volunteers who helped set-up, clean-up and general gofer duties. Under the leadership of Joy Howard and Bonnie Brewster, the clothes closet was cleaned out.

Now, Joy is getting ready to launch the newly stocked clothes closet in October. With fresh selections, the next clothes closet will be better than ever. Stand by for more information on how you can consign your unwanted square dance attire to the clothes closet for sale and dollars in your pocket. Any questions regarding consigning items to the upcoming Clothes Closet to Joy Howard.

Having Difficulty With Some Calls or Caller Instructions While Dancing? Come Monday Nights

There are at least three things you can do if you are having difficulty with some of the Plus calls.

First, you can go home and feel bad you didn't get it, but will try harder the next time.

Second, you can log on to the Taminations website and repeatedly watch the little dots go through the motions without doing it yourself.

Three, (and best of all) come to the Mavericks' Plus refresher on Monday nights from 7:00-8:30. This is a time when Jet goes over Plus calls, working on the areas that seem to be difficult. This is a chance for you to get specific instruction in that call that is more of a challenge for you to complete.

There is no substitute for experience. Go to as many dances as you can and your skill and satisfaction level with your square dance ability will greatly increase.
