Our Lights are on and We are Dancing This Wednesday

Mavericks will have the regular workshop on Wednesday this week. Don't miss your dance night just because of the post-holiday schedule, all are welcome to join the Mavericks on Wednesday from 7:00-8:30.

January Birthdays - Birthdays are good for your health. Studies show that people who have more birthdays live longest. Here are some healthy people:

Roy Zelinski	January 2	Jet Roberts	January 28
Dick Howard	January 21	Kevin White	January 28
Joy Howard	January 22	Donna Fowler	January 31

Happy Birthday to our January Birthday members. Yes, this is the month Jet has been waiting for, but there is a rumor started by this publication that Jet no longer desires Amazon Gift Cards. Don't know as to the truth of that rumor, but you might want to check with him ☺.

The Mavericks will be meeting a dinner for all members who have their birthday in January, February or March sometime the first part of March. Stay tuned for specifics. If your birthday is in January, and you are not on the list, please let us know so we can update our roster.

OTHER TRIVIAL FACTS ABOUT JANUARY - In the Georgian calendar, the calendar that most of the world uses, January is the very first month of the year. The name January came from a Roman god Janus. According to the Roman legend, in 700 B.C., the ruler Numa Pompilius added January to the end of the 10-month Roman calendar. When it was added, Pompilius gave 30 days to January. However, Romans later made January the first month of the year. Moreover, in 46 B.C. Julius Caesar added a one more day to January and that's why there are 31 in January today. January was known as the wolf month to the Anglo-Saxons because in winter, wolves came into the villages to search for food. It is the coldest month in the northern half of the world, nature is quiet and the birds travel less. Also, the bears and woodchucks go into hibernation.

New Year's Eve Dance

A terrific time was had by all. The food was fabulous, the callers outstanding, the cuer brilliant and those who didn't get their reservation in time bummed, the dancers delighted.

Thanks to all who helped put this together, this kind of effort takes many hands and hours of planning and was completed under the coordination of Cheryl.

Larry Lazarus was the official designated photographer for the evening. Please visit his website to see all of the pictures from the Mavericks' New Years Eve dance. You can order pictures directly from Larry; <https://photographybylarry.photorelect.com/>. Follow the links to the event you want to view.

Next year is already in the planning stage, so when the notice for reservations comes out, don't hesitate.
