Terrific Time on Wednesday Nights –

Kip is really challenging us and putting us through the paces on Wednesday Workshop nights. Six squares (and room for more) has been the norm. The newer plus dancers are getting good challenges to their skills, and those who have been dancing awhile have had

to rethink some of the steps as Kip changes positions through the tips.

If you have a call, or series of calls, you would like to review in workshop, ask Kip. He will make sure you know what you need to know.
