**OUR MAY 2, 2020
SQUARE DANCE HAS BEEN
CANCELED**

Social Distancing and Health Safety Practices Continue – But There Will Be Dancing After the Quarantine

Prayers for everyone out there that you are remaining safe and healthy. Quarantine time can get old quickly; just knowing that you can't do something makes the walls close in. This will end and we will be able to get back to "normal" and be dancing again.

Speaking of which, in anticipation of getting out in the squares again, Jan Warren is looking for dancers who are interested in performing at the state fair this year.

The State Fair Board is taking a new approach this year for the Entertainment at the State Fair by starting earlier. We will square dance on Tuesday, July 21, 2020 at 12 Noon. It will be all singing calls. Square dancers will receive free entrance passes and parking passes for participating at the State Fair. If you sign up and do not participate, you will not be eligible to square dance at the State Fair the next year. Deadline for signing up is May 10, 2020.

At this time, they need the Megan's Law information on each square dancer. Please send me the following information for each square dancer, age 18 and above.

Any square dancers under the age of 18, I will need their name. I destroy the personal information each year.

NAME - First, Middle and Last (as appears on Driver's License)
Date of Birth
Driver's License OR ID Number AND State Issued
Current Phone Number
Current Residential Zip Code

****If you are uncomfortable providing this information online, please contact me, 916-716-4641 with the information****

This square dance performance does not qualify for ASDSC square dance club payment.

If you have any questions, please contact me at jan_warren925@yahoo.com or phone number listed above. Please sign up now.
